Job of the Week

Vice Provost for Academic Success
 Macomb Community College

Provides executive leadership for, and oversight of, programs that help students succeed in college. These programs include student support services (counseling, advising, career services, and tutoring), professional development, college libraries, and academic assessment. In addition, the Vice Provost encourages and facilitates curriculum enhancements and instructional innovation, and oversees various academic operations that reside in the Provost's office. The Vice Provost is a member of the Provost's staff and works collaboratively with faculty, administrators and senior College leaders to promote a shared vision of high quality teaching and successful student learning...

In Focus...

**N.C. Community
Colleges President
Defends
Undocumented
Immigrant Policy**

RALEIGH, N.C. - The president of the state community college system won't back down from a new policy that allows Undocumented Immigrants to enroll on all campuses, saying that doing otherwise runs counter to a nearly 50-year-old tradition of open admissions.

Martin Lancaster, who will soon retire from his post, defended the change in a 1,200-word statement sent to reporters Tuesday. He said children of people who entered the country illegally shouldn't be punished after attending public schools by being denied the opportunity to better their lives through

A Thought from Napoleon Hill

**THE WORLD STANDS
ASIDE AND MAKES
ROOM FOR THE
PERSON WHO KNOWS
WHERE HE IS GOING
AND IS ON HIS WAY.**

When you have a vision for what you wish to achieve in your life, not only will others stand aside and let you pass, but they will join you in your quest as well. They will instinctively recognize your enthusiasm and zest for living. When you speak of your passion in life, your definite major goal, they will see the intensity of your desire, and they will respond with encouragement and assistance or they will stand aside. It will be apparent to all who know you that you will succeed.

HigherLearningJobs.com is dedicated to maintaining the most state-of-the-art Job Portal site specifically for community, technical and junior colleges nationally.
